

Commercial Grade Silicone, 40 Durometer

Our Commercial Grade silicone sheeting is designed for extreme temperature applications. It is easily die-cut and provides a superior gasket and sealing solution. It is available from 20-90 durometer. Thicknesses from .010" to .500" thick. Widths up to 60" wide. Many colors are available. Choose from our large inventory of stock items. If we do not have it in stock, we will custom make it!
